RE: SCE&G Allowable Ex Parte Communication Briefing

Dear Ms. Boyd:

Yesterday, February 14, 2017, South Carolina Electric & Gas Company ("SCE&G" or "Company") filed with the Public Service Commission of South Carolina ("Commission") a copy of its Quarterly Report for the period ending December 31, 2016, related to the construction of the V.C. Summer Nuclear Station Units 2 and 3. Prior to that filing, SCE&G learned that Toshiba Corporation ("Toshiba") had submitted an application for approval of an extension of the deadline for submission of its 178th Third Quarter Securities Report from February 14, 2017, to March 14, 2017, in order to complete audit processes undertaken by its independent accounting auditor and an investigation to clarify the existence and range of its effects of any actual occurrence of management pressure at Westinghouse being exerted to advance the Purchase Price Allocation process for Westinghouse's acquisition of CB&I Stone & Webster.

After Toshiba's submission of its 178th Third Quarter Securities Report on March 14, SCE&G will work with Commission Staff to schedule an allowable ex parte communication briefing to discuss this matter and other matters associated with the construction of the V.C. Summer Nuclear Station Units 2 and 3. SCE&G anticipates that such a briefing would occur in late March or early April on a date and time convenient for all Commissioners.
